As a Bridge Consultant, it is my responsibility to help you achieve full OT as fast as possible. I am here to help you obtain the services that Flag can deliver which give spiritual freedom to the highest levels of The Bridge. With the current state of the world, it is imperative that you make an unprecedented amount of progress toward full OT without delay. This is vital to both your survival and the survival of the planet.

This includes having and studying the Basics, Golden Age of Tech training, the Ls and the Bridges of your family.

In 1993, the Church of Scientology achieved its current tax exempt status with the IRS. This means that donations for selected services are fully tax deductible. What this means to you is not always fully understood in terms of its impact on helping you move up The Bridge faster. The brochure *Updated Information on Taxes & Your Donations* is enclosed.

Contact your tax advisor to determine your exact tax benefits.

With the continued expansion that has occurred at Flag, we stand ready to make your progress up The Bridge smoother and faster than ever in history.

Each Scientologist must move himself up The Bridge now as a priority. We do not have an infinity of time to do this. Please call me so we can plan out your next steps on The Bridge.

With love,

Abby Wavell
